

Middlebury Ski Club Registration for 2017-18

This year we are using a registration and communication system called TeamSnap. It is an online team manager that has a number of great features that will help us manage the club this winter and improve our communication with parents and between club members.

The registration process is different than last year. Rather than having paper forms for waivers and medical info, you will enter these into your registration.

Before registering, please have the following information ready:

- Health Insurance Policy Numbers
- Date of Last Tetanus Shot
- Any Known Allergies/Medications

Step by Step Instructions for Registration:

- 1. Navigate to <u>http://www.middleburyskiclub.org</u>.
- 2. Click on the "Register" snowflake
